

Ryan Schmidt

Senior Product Designer • Systems & Code Prototyping

Austin, TX • (724) 815-5312 • ryanschmidt1989@gmail.com • <https://ryanschmidt.design> • LinkedIn

PROFESSIONAL SUMMARY

Senior Product Designer with 6 years of experience driving product outcomes across complex B2B SaaS, developer tooling, and workflow automation. Bridges end-to-end design and front-end engineering by building working code prototypes (HTML/CSS/JS, Cursor, React) that eliminate spec ambiguity.

CORE COMPETENCIES & STACK

Product & UX: Product Architecture, User Journey Mapping, Wireframing, Qualitative Research, Critique Facilitation	Technical Prototyping: HTML5, CSS3/Tailwind, JavaScript, React, Cursor, Playwright, Git
Systems & Strategy: Figma Design Systems, Design Tokens, B2B SaaS Workflows, Metric Attribution	AI & Tooling: Conversational AI UX, Claude Code, Prompt Optimization, LLM Workflow Prototyping

SELECTED EXPERIENCE

CX/UX Designer • Institute for Corporate Productivity (i4cp) February 2026 – Present • Remote

- Sole designer across member portal, analytics, and admin tools; own the design system, UX standards, and roadmap prioritization
- Ship interactive HTML/CSS/JS prototypes to staging via Cursor, eliminating spec ambiguity before engineering starts
- Architect conversational AI workflows, turning complex HR research into prompt-driven insights
- Conduct qualitative user inquiry to shape requirements and align executive stakeholders on high-value roadmap initiatives

Senior Product Designer • D-Tools, Inc. October 2021 – February 2026 • Remote

- Owned Cloud UX across 5 core modules as platform scaled from 6,500 to 18,000 active users
- Architected real-time inventory MVP via field research and testing, driving an 18% recurring revenue lift and 8% YoY adoption
- Scaled design system to 100+ production components with 92% engineer adoption

Senior Design Group Critique Facilitator • DesignLab May 2021 – April 2026 • Remote (Part-Time)

- Facilitated 400+ structured critique sessions and mentored 1,500+ designers, coaching on problem framing, UX research methods, and design rationale

Product Designer • Bytemark, Inc. 2021 • Austin, TX / Remote

- Mobile transit ticketing SaaS product design

EDUCATION & FOUNDATION

BA, Anthropology • Clarion University 2007 – 2011
